TRADING STATEMENT

In terms of the Listings Requirements of the JSE Limited, companies are required to publish a trading statement as soon as they become reasonably certain that the financial results for the period to be reported on will differ by more than 20% from that of the previous corresponding period.

Accordingly, a review by management of the financial results for the year ended 31 March 2022 (“**Results**”) has indicated that:

- the basic loss per share (“**LPS**”) is expected to be between 642.25 cents and 651.73 cents, compared to the basic LPS of 47.36 cents for the year ended 31 March 2021;
- the headline loss per share (“**HLPS**”) is expected to be between 440.83 cents and 446.53 cents, compared to the HLPS of 28.46 cents for the year ended 31 March 2021;

The financial information on which this trading statement is based has not been reviewed or reported on by the Company’s auditors.

Shareholders are referred to the announcement released on SENS on Thursday, 28 June 2022, advising of the delay in the finalisation of the Company’s Results. The delay has been caused as a result of valuations that need to be finalised for the current Water and Software B-BBEE deals, which have had a significant impact on the Results.

Accordingly, Sebata’s Results are expected to be released on SENS on or about 14 July 2022.
